

Phelps County HYCS Workshop Series Summary

Phelps County Spring Workshops:

Contact Andy Read: Phone 573-458-6252, email: readr@missouri.edu

A special thanks to Susan Wrasmann and Anne Premont for all their hard work to organize these workshops!

Session 1: March 2th Attendance: 73

Session 2: March 9th Attendance: 80

Session 3: March 16th Attendance: 60

26 attendees signed up for a rain barrel make and take workshop, scheduled for May 11, cost: \$26. Missouri River Communities Network and Americorps will demonstrate and help attendees with their barrels.

A special thanks to all the speakers and attendees! If you would like more information on the speakers for Phelps County's workshops, please contact Leslie Shaw: shawlj@missouri.edu

Pulaski and Phelps Counties video taped the workshop series and they will appear on Rolla Cable Channel 6: <http://www.rollachannel6.com/> Their schedule is posted daily on the community calendar, HYCS programs will be aired several times over the next month or so! Waynesville Cable Channel 12: <http://web.waynesville.k12.mo.us/WHS/TigerTV.html> This is the school district's channel and the workshops will be aired in available time slots over the next few weeks!

Speaker Pat Perry gives a talk about how to install native plant rain gardens to manage naturally wet

areas in a homeowner's landscape.
